Merchant acknowledges that it is required to provide verified weights obtained on calibrated, certified equipment of all cargo that is to be tendered to steamship lines. Shipper agrees that Carrier is entitled to rely on the accuracy of such weights and to counter-sign or endorse it as Carrier's own certified weight to the steamship line carrying the cargo. The Merchant agrees that it shall indemnify and hold the Carrier harmless from any and all claims, losses, penalties or other costs resulting from any incorrect or questionable verification of the weight provided by Merchant or its agent or contractor on which the Carrier relies.

SOLAS WEIGHT CERTIFICATION: I hereby certify that the gross mass provided, is the verified gross mass as defined in the IMO Guidelines Regarding the Verified Gross Mass of a Container Carrying Cargo, paragraph 2.1. MSC.1/Circ.1475)
